

Josep Roman is a Biotechnologist (2018, Universitat de Girona, Spain) and holds a MSc in Pharmacology from the Universitat Autònoma de Barcelona (UAB, Spain). He currently works as a Regulatory Officer at DDR (Drug Development and Regulation - www.ddrmedic.com), located in Barcelona, Amsterdam and London.

He has previous experience working for multinational pharmaceutical companies, including Sanofi, as Regulatory Affairs Technician.

Josep is an expert in Chemistry, Manufacturing and Control (CMC), both during product development (i.e. clinical phases) and for post marketing authorisation activities (i.e. variations and renewals). He has successfully carried out the compilation and writing of Quality sections (Module 3) of several Marketing Authorisation Applications (MAA) in the past.
